

Village of La Grange

CONSTRUCTION NOTICE

Project: La Grange Road Resurfacing Project

Issue Date: May 2, 2019

Contractor: K-5 Contractors

Work Area: La Grange Road from 31st Street to Joliet Road

The purpose of this notice is to provide an update on the La Grange Road Resurfacing Project. Over the past several weeks the contractor has been working on repairing the sidewalks at street intersections to make them compliant with the Americans with Disabilities Act standards. As this sidewalk work is nearing completion, the contractor will be shifting operations to roadway resurfacing.

The contractor has divided milling and resurfacing work into two phases. The first phase of the work will be from Joliet Road to just north of 47th Street, and will take place from roughly May 10th to June 10th. The second phase of the resurfacing work will be from just north of 47th Street to 31st Street, and will take place from roughly June 3rd to July 10th.

Parking will be limited when the grinding and paving machines are working adjacent to existing on-street parking areas. In order to accommodate this work on-street parking will be restricted from 2:00 am to 4:00 pm. On-street parking will be allowed during the evening. Signs will be posted in the area notifying motorists of parking restrictions.

Pedestrians are reminded to be careful when walking around the work zones and when crossing roadways.

Additional notices regarding construction activities will be provided as the project progresses. Please note that all schedules are weather dependent. If you have any questions, comments or concerns, please contact Public Works at (708) 579-2328.
