Planned - Monday, May 6, 2019 to Friday, May 10, 2019

- Continue installation of water main on Ashland Avenue
- Remove bedrock on the 400 Block of Ashland Avenue to allow for the installation of water main to the proper depth.
- Install tree protection fencing on Blackstone and Ashland Avenues

Planned – Monday, May 13, 2019 to Friday, May 17, 2019

- Begin transfer of private water service lines from the old water main to the new water main on Blackstone Avenue.
- Pressure test and chlorinate the sections of new water main on Ashland Avenue.

Over 

Please note that the water main installation on Ashland Avenue from just south of Cossitt Avenue to Harris Avenue will not begin until school is out for the summer.

As a reminder, on-street parking on Ashland Avenue from Harris Avenue to 47th Street and on Blackstone Avenue from Cossitt Avenue to 47th Street will be restricted during the project; however residents can park on adjacent side streets if needed. Signs will be posted in the area notifying motorists of these restrictions. The Police Department is aware of this accommodation and will not be ticketing vehicles that park on the street if their driveway is inaccessible. All vehicles parked on-street will need to be parked in a legal space, which includes not blocking fire hydrants, intersections or driveways.

Please note that all schedules are weather dependent. If you have any questions regarding project activities, please e-mail the project representative, Mr. Reggie Jansen at lagrange.ashland@gmail.com or lagrange.blackstone@gmail.com or by calling (630) 400-6008. Alternatively, you can also call the Department of Public Works at (708) 579-2328 with any questions, comments or concerns.
