

Village of La Grange

CONSTRUCTION NOTICE

Project: Blackstone Roadway Reconstruction Project

Issue Date: July 19, 2019

Work Area: Blackstone Avenue from Cossitt Avenue to 47th Street

Unfortunately, the contractor was delayed from pouring concrete this week due to the rain and high temperatures. We understand the inconvenience associated with this component of the work and appreciate your patience. The updated schedule for the work is as follows:

Phase 1 – West Side of Blackstone Avenue (Vehicles on this side need to be moved out of driveways)

Monday, July 22 – Pour concrete curb

Tuesday, July 23 – Pour concrete aprons

Wednesday, July 24 – Pour concrete sidewalks

Friday, July 26 – Access to driveways restored [Please note that the concrete requires at least three days of cure time prior to driving on the new surface with vehicles. If you are expecting heavy delivery trucks, we recommend giving the concrete more time to cure.]

Phase 2 – East Side of Blackstone Avenue (Vehicles on this side need to be moved out of driveways)

Week of July 29 to August 5

Please continue to park on adjacent side streets until access to your driveway is restored. Also please note the above schedules are weather dependent and may need to be adjusted based on unforeseen circumstances.

If you have any questions regarding project activities, please e-mail the project representative, Mr. Reggie Jansen at lagrange.blackstone@gmail.com or by calling (630) 400-6008. Alternatively, you can also call the Department of Public Works at (708) 579-2328 with any questions, comments or concerns.
