

Village of La Grange

CONSTRUCTION NOTICE

Project: Blackstone Roadway Reconstruction Project

Issue Date: July 26, 2019

Work Area: Blackstone Avenue from Cossitt Avenue to 47th Street

The contractor completed the concrete curb, driveway and sidewalk installations on the west side of Blackstone Avenue, and plans to perform the same work on the east side of Blackstone Avenue next week. The schedule for the work is as follows:

Phase 2 – East Side of Blackstone Avenue (Vehicles on this side need to be moved out of driveways)

Monday, July 29 – Remove curb, driveways and sidewalk on east side of roadway

Tuesday, July 30 – Continue removal and prepare for concrete pour

Wednesday, July 31 – Continue preparation for concrete pour

Thursday, August 1 – Pour concrete curb, and some sidewalks and driveways

Friday, August 2 – Pour concrete sidewalks and driveways

Monday, August 5 - Access to driveways restored [Please note that the concrete requires at least three days of cure time prior to driving on the new surface with vehicles. If you are expecting heavy delivery trucks, we recommend giving the concrete more time to cure.]

In order to complete the work, access to your driveway will be restricted for at least one week depending on weather. **All vehicles on the side of the street where work is occurring will need to park on an adjacent side street during the day from 7 am to 5 pm, Monday through Friday.** Outside of this time period (5 pm to 7 am), you can park on the opposite side of Blackstone Avenue from where the work is occurring, however your vehicles need to be moved to an adjacent side street by 7 am each morning. The Police Department is aware of the parking accommodation and will not be ticketing vehicles for overnight parking in this area. All vehicles parked on-street will need to be parked in a legal space, which includes not blocking fire hydrants, intersections or driveways.

Over 

Once the concrete work is finished, the contractor will begin the reconstruction of the roadway. This work will include removing the existing pavement, regrading the stone base, and placement of new asphalt.

If you have any questions regarding project activities, please e-mail the project representative, Mr. Reggie Jansen at lagrange.blackstone@gmail.com or by calling (630) 400-6008. Alternatively, you can also call the Department of Public Works at (708) 579-2328 with any questions, comments or concerns.
