

# Village of La Grange

## CONSTRUCTION NOTICE

Project: Blackstone Roadway Reconstruction Project  
Issue Date: August 1, 2019  
Work Area: Blackstone Avenue from Cossitt Avenue to 47<sup>th</sup> Street

The completion of the concrete work was delayed by the concrete subcontractor due to rain on Monday. Instead of Friday, the driveways will be completed on Monday with access being restored on Thursday. Thank you for your continued cooperation and patience.

The next phase of the work will involve the removal of the existing pavement (both asphalt and concrete base), regrading the stone base, and placement of the new asphalt. During this work on-street parking will be not allowed, however access to driveways will be provided. Weather permitting, the grinding of the roadway is scheduled to start the later part of next week. Please be aware that this next stage of the work will be dustier than other stages as vehicles will be temporarily driving on a gravel surface. We expect that the placement of the first layer of asphalt will occur towards the end of August.

If you have any questions regarding project activities, please e-mail the project representative, Mr. Reggie Jansen at [lagrange.blackstone@gmail.com](mailto:lagrange.blackstone@gmail.com) or by calling (630) 400-6008. Alternatively, you can also call the Department of Public Works at (708) 579-2328 with any questions, comments or concerns.
