

Village of La Grange

CONSTRUCTION NOTICE

Project: Blackstone Roadway Reconstruction Project

Issue Date: September 6, 2019

Work Area: Blackstone Avenue from Cossitt Avenue to 47th Street

The contractor has completed the adjustment of the frames and lids within the pavement and has begun the restoration of the parkways. The repair to sprinkler systems is taking some time due to the significant number of sprinkler systems present. Once the repair to the sprinkler systems are complete, the contractor will fine grade the parkways with topsoil in preparation for sod. We expect that this work will occur sometime next week. Please note that the grading of parkways and placement of sod is weather dependent.

Once this work is complete, the final layer of asphalt will be placed, which is expected towards the end of the month. We will provide an additional notification prior to the final layer of asphalt being placed so as to remind motorists not to pull into driveways after driving on the temporary oil sprayed onto the pavement.

If you have any questions regarding project activities, please e-mail the project representative, Mr. Reggie Jansen at lagrange.blackstone@gmail.com or by calling (630) 400-6008. Alternatively, you can also call the Department of Public Works at (708) 579-2328 with any questions, comments or concerns.
