FIGURE 1: DORMER WINDOW

DOWNTOWN DESIGN REVIEW DISTRICT. See Section 8-304 of this Code and the Zoning Map.

DRIVE-IN ESTABLISHMENT OR FACILITY. An establishment or facility that by design of physical facilities or by service or packaging procedures encourages or permits customers to receive a service or obtain a product that may be used or consumed in a motor vehicle on or off the premises or to be entertained while remaining in a motor vehicle.

DRIVE-IN EATING PLACE. See Subsection 16-102E of this Section.

DRIVEWAY. A private access way that provides direct access from a street to not more than one lot or one principal building or use.

DRIVEWAY CLEAR SIGHT AREA. The area defined as anywhere within five feet of any point of intersection of a private driveway with a front, corner side, or rear lot line, within which no plant or other landscaping, or solid fence or other structure of any kind, may exceed three feet in height.

DWELLING. Any structure or portion thereof designed or used for habitation by one or more families.

DWELLING, SINGLE FAMILY ATTACHED. A dwelling composed of a row of two or more adjoining dwelling units, all capable of individual sale, and each of which is separated from the others by one or more unpierced walls extending from ground to roof, and each of which is provided with garage space sufficient for at least two vehicles.

DWELLING, SINGLE FAMILY DETACHED. A dwelling containing only one dwelling unit, situated on a separate subdivision lot or being a separate condominium unit capable of individual sale and completely surrounded by open space.

DWELLING, MULTIPLE FAMILY. A dwelling, other than a single family attached dwelling, containing more than two dwelling units, or a dwelling unit located in a building otherwise devoted to non-dwelling uses.

DWELLING, STAFF. A dwelling where lodging is provided in rooming units exclusively for the administrators, employees, or other personnel of a hospital, and their families.

DWELLING, TWO FAMILY. A dwelling, other than a single family attached dwelling, containing two dwelling units, each of

which is totally separated from the other by an unpierced wall extending from ground to roof or an unpierced ceiling and floor extending from exterior wall to exterior wall.

DWELLING UNIT. Any room or group of rooms located within a structure or portion thereof, forming a single habitable unit with facilities that are used or intended to be used for living, sleeping, cooking, eating, and sanitation by one family.

DWELLING UNIT CONVERSION. The rebuilding, remodeling, addition to, alteration of, or conversion in any manner of an existing building to increase the number of dwelling units contained therein.

- E. When used in this Code, the following terms shall have the meanings herein ascribed to them:

EASEMENT. Authorization by a property owner for the use by another, and for a specified purpose, of any designated area of his property. The term also refers to such a designated area.

EATING PLACE. An establishment where food is available to the general public primarily for consumption within a structure on the premises, where at least 50 percent of the gross floor area of the establishment is devoted to patron seating and where the consumption of food in motor vehicles on the premises in neither encouraged nor permitted.

EATING PLACE, CARRY-OUT. An establishment, which by design of physical facilities or by service or packaging procedures permits or encourages the purchase of prepared, ready-to-eat foods intended to be consumed off the premises, and where the consumption of food in motor vehicles on the premises in neither permitted nor encouraged.

EATING PLACE, DRIVE-IN. A drive-in establishment, as defined in Subsection 16-102D of this Section, where food is prepared and served for consumption in motor vehicles.

EAVE. Any part of a roof that extends beyond the building wall and, for purposes of measuring building height, the lowest edge of a sloping roof regardless of whether it extends beyond the building wall.

EFFECTIVE DATE. See Section 15-107 of this Code.

ENLARGEMENT. An addition to the floor area of an existing building or an increase in the size of any other existing structure.

ENTRY SIDEWALK. See Subsection 16-102S for "Sidewalk, Entry."

EXTENSION. An increase in the amount of existing floor area used for an existing use within an existing structure or an increase in that portion of a tract of land occupied by an existing use.

EXTERIOR WALL. Any wall of a building or structure one side of which is exposed to the outdoors.

- F. When used in this Code, the following terms shall have the meanings herein ascribed to them:

FAMILY. One or more persons related by blood, marriage, adoption, or guardianship, or up to five persons not so related, living together as a single housekeeping unit, with gratuitous guests and domestic servants; provided, however, that at least one person shall be an adult resident who is domiciled in the dwelling unit and is capable of, and in fact is, functioning as the head of the household.

FENCE. A barrier structure used as a boundary or as a means of protection, confinement, or screening. See Section 9-105 of this Code.

FENCE, OPEN. A fence constructed so that 50 percent or more of the superficial area thereof consists of apertures when viewed in elevation.

FENCE, SOLID. A fence constructed so that less than 50 percent of the superficial area thereof consist of apertures when viewed in elevation.

FENCE PERMIT. See Section 14-405 of this Code.

FLOOR AREA, GROSS. The sum of the gross horizontal areas of all floors of a building or of such area devoted to a specific use, measured from the exterior face of exterior walls or from the center line of walls separating two buildings or uses. Gross floor area shall include areas such as basement floors, but not cellar floors; elevator shafts and stairwells at each floor; floor spaces and shafts used for mechanical, electrical, and plumbing equipment, except equipment located in a cellar or on the roof; penthouses; attic floors; interior balconies and mezzanines; enclosed porches and floor space used for accessory uses; provided, however, that gross floor area shall include only floor area that has a floor to ceiling height of not less than seven feet over a floor area having no horizontal dimension less than seven feet. Gross floor area shall not include floor area devoted to off-street parking or loading except when accessory to a single family dwelling. Where any space has a floor to ceiling height of more than 16 feet, each 16 feet of height or major fraction thereof shall be treated as a separate floor.

FLOOR AREA, NET. The gross floor area of a building minus floor space devoted to washrooms intended for general public use; elevator shafts and stairwells at each floor; floor space and shafts used for mechanical, electrical, and plumbing equipment; floor space devoted to off-street parking and

loading; and basement and attic floor space used only for bulk storage.

FLOOR AREA RATIO (FAR). The gross floor area of a building divided by the total lot area of the zoning lot on which it is located. For planned developments, the FAR shall be determined by dividing the gross floor area of all principal buildings by the net area of the site.

FOOT CANDLE. The illumination at all points one foot distant from a uniform point source of one candle power.

FRONT LOT LINE. See Subsection 16-102L for "Lot Line, Front."

FRONT YARD. See Subsection 16-102Y for "Yard, Front."

FRONT YARD LINE. See Subsection 16-102Y for "Yard Line, Front."

FRONTAGE. All the property fronting on one side of a street, measured along such street, between an intersecting or intercepting street and another intersecting or intercepting street, a right-of-way in excess of 30 feet, an end of a dead-end street, a watercourse, or a Village boundary.

FRONTAGE, ZONING LOT. All of the property of a zoning lot fronting on a street, measured between side or corner side lot lines.

- G. When used in this Code, the following terms shall have the meanings herein ascribed to them:

GABLE. A triangular section of wall formed by a roofline with two slopes, extending from the eaves of that roofline to the ridge where the two slopes of the roofline meet. A gable projecting from a roofline may be miniaturized over a dormer window. See Subsection 16-102D for "Dormer Window." (See Figure 2: Gable)

FIGURE 2: GABLE

GARAGE. A structure, or part thereof, designed or used for the parking and storage of vehicles at one or more levels.

GARAGE, DETACHED. A freestanding garage, or a garage that is attached to a principal structure on the lot only by a breezeway, entranceway, or other passageway or decorative structure or otherwise is not integrated into the principal structure.

GARAGE, PRIVATE. A garage accessory to a residential structure having a capacity of not more than three vehicles for each dwelling unit to which it is accessory.

GAZEBO. A freestanding roofed accessory structure designed for occasional recreational use and subject to the limitations of Subsection 9-101C of this Code.

GOVERNMENTAL SIGN. See Section 11-105 of this Code.

GRADE. (1) For structures more than five feet from any street line, the average elevation of the ground existing prior to any reshaping of the contours at the four corners of a structure or a proposed structure that are closest to the lot

lines. When the existing ground level slopes away from any such corner, then the elevation of the ground at such corner shall be measured at the lowest point lying within six feet of such corner. (2) For structures any portion of which are located within five feet of a street line or lines, the curb elevation, or the average of the curb elevation, at such street line or lines.

GRADING. Reshaping natural land contours using natural land materials.

GROUND SIGN. See Section 11-105 of this Code.

GROUP FAMILY HOUSEHOLD. A group of not more than six persons not constituting a family as defined in this Code but living together in a dwelling unit under a common housekeeping management based on an intentionally structured relationship of mutual responsibility providing an organization and stability essentially equivalent to, and having many aspects in common with, those found in families based on relationships of blood, marriage, or legal adoption and having at least one adult resident who is domiciled in the dwelling unit and is capable of, and in fact is, functioning as a head of the household. The following are specifically excluded from this definition: living arrangements that serve as an alternative to incarceration, hospitals and clinics, boarding houses, convalescent homes, homes for the aged, and similar facilities.

GUTTER. A shallow channel of metal or wood set immediately below or along the eaves of a building to catch and carry off rainwater from the roof.

- H. When used in this Code, the following terms shall have the meanings herein ascribed to them:

HEIGHT. The vertical distance measured from grade at the front of a structure to the highest point of the roof for flat roofs, to the deck line for mansard roofs and to the mean height between eaves and ridge for gable, hip, and gambrel roofs or to the highest point of a structure without a roof. Where a parapet wall, penthouse, mechanical equipment, or any similar structure is located on the roof of a building, building height shall be measured to the highest point of said structure if any part of it extends above the height as measured pursuant to the first sentence of this definition. Chimneys of residential buildings shall be disregarded determining the height of such buildings. Where a structure faces more than one street, the structure face with the greater height when measured as herein required shall be deemed to be the front of the structure for purposes of measuring structure height. Building height shall be measured on a gable if (a) the width of any one gable exceeds 30 percent of the length of the building side on which the gable is measured, which length shall be measured to the outer edges, or (b) if the combined total roof area of all gables exceeds 30 percent of the total roof area of the building.

HEIGHT, MAXIMUM. The vertical distance measured from grade to the highest point of a structure. Chimneys of single family residential buildings shall be disregarded in determining the maximum building height of such buildings. Where a parapet wall, penthouse, mechanical equipment, or any similar structure is located on the roof of a building, maximum building height shall be measured to the highest point of said structure if any part of it extends above the height as measured pursuant to the first sentence of this definition.

HOLIDAY DECORATIONS. See Section 11-105 of this Code.

HOME OCCUPATION. See Subsection 9-102B of this Code.

HOTEL. An establishment that is designed for transient guests, that is commonly known as a hotel in the community in which it is located, and that provides customary hotel services such as maid service, furnishing and laundry of linen, telephone service, desk service, bellboy service, and the use and upkeep of furniture.

- I. When used in this Code, the following terms shall have the meanings herein ascribed to them:

IDENTIFICATION SIGN. See Section 11-105 of this Code.

IMPERVIOUS SURFACE. Any material covering the ground that is incapable of being penetrated by water or the ground itself if it has been made impervious due to compaction or other manmade condition regardless of the material placed on that ground. "Impervious surface" includes houses, garages, sheds, and other buildings; decks and patios; sidewalks, driveways, and other paved areas; compacted gravel or similar materials; and similar areas that are constructed or otherwise created in a manner that causes water runoff rather than allowing water to run into the ground. "Impervious surface" includes all in-ground swimming pools and any related aprons constructed with impervious materials and those above-ground swimming pools that are, because of their size, method of installation, installation of decking or other accessories, or other features, not readily removable during off-season months and remain in place year-round. "Impervious Surface" does not include (a) ponds or other water bodies with natural bottoms, or (b) wooden planked decks with spacing between the planks and permeable ground beneath the deck, or (c) patios or other areas constructed of permeable materials with permeable ground beneath the area. The determination whether a particular material or area is impervious or permeable shall be made by the Village Engineer or Director of Community Development. See also Subsection 16-102B for the definition of "Building Coverage" and Subsection 16-102L for the definition of "Lot Coverage."

IMPROVEMENT OR FACILITY, PUBLIC. A sanitary sewer, storm sewer, drainage appurtenance, water main, roadway, parkway, sidewalk, planting strip, or other facility for which the Village or any other government agency may assume maintenance or operational responsibility.

INSTITUTIONAL BUILDING. Any building the principal use of which is an institutional use.

INSTITUTIONAL USE OR PURPOSE. Any use permitted in the Institutional Buildings District.

INTEGRATED CENTER. A grouping of compatible uses on a single zoning lot, such uses being in either single ownership or under unified control.

INTERPRETATION. See Section 14-301 and Article XV, Part II, of this Code.

INTERIOR LOT. See Subsection 16-102L for "Lot, Interior."

- J. When used in this Code, the following term shall have the meaning herein ascribed to it:

JOINT IDENTIFICATION SIGN. See Section 11-105 of this Code.

- K. When used in this Code, the following term shall have the meaning herein ascribed to it:

Kratom. The leaves of the tropical *Mitragyna Speciosa* tree native in Southeast Asia.

- L. When used in this Code, the following terms shall have the meanings herein ascribed to them:

LA GRANGE CODE OF ORDINANCES. The La Grange Code of Ordinances, as amended from time to time. See Subsection 16-102M for "Municipal Code".

LANDBANKING. Setting aside land area for future use. See also Subsection 10-101E of this Code.

LEGAL NONCONFORMING LOT OF RECORD. See Subsection 16-102N for "Nonconforming Lot of Record, Legal."

LESS RESTRICTIVE DISTRICT. See Section 2-102 of this Code.

LIMOUSINE RENTAL SERVICE. The rental of luxury chauffeur-driven automobiles on an hourly or daily non-mileage metered basis.

LIVE ENTERTAINMENT. A public performance intended to be diverting or engaging with or without the use of instrumental, electronic, or mechanical accompaniment.

LOADING SPACE. An unobstructed hard-surfaced area, no part of which is located in a street or public right-of-way used for the standing, loading, or unloading of one truck or trailer.

LOT. See "Lot of Record" and "Lot, Zoning," infra. Unless the context indicates otherwise, all references in this Code to a "lot" shall be deemed to mean a "zoning lot."

LOT AREA, TOTAL. The total land and water area included within lot lines, excluding, however, areas subject to easements for public or private access or egress.

LOT AREA PER UNIT. That portion of the total lot area allocated for each dwelling unit located on a lot.

LOT, BUILDABLE AREA OF A. That portion of a lot bounded by the required yards.

LOT, BUILDABLE WIDTH OF A. The width of a lot remaining as buildable after side yards and corner side yards are provided.

LOT, CORNER. A lot abutting upon two or more streets at their intersection or junction or a lot bounded on two sides by a curving street where it is possible to draw two intersecting tangents, one each commencing at each of the two points of intersection of the lot lines and street line, which intersect

with each other to form an interior angle of less than [135] degrees.

LOT COVERAGE. The percentage of a lot's area that is covered by any building, structure, or impervious surface, other than public sidewalks. The calculation of lot coverage shall not include (a) 50 percent of the square footage of a detached garage located entirely within the rear 50 percent of a zoning lot in the R-3 District, R-4 District, R-5 District, or R-6 District up to a maximum exclusion of 330 square feet, or (b) 450 square feet of a driveway from the front lot line to a detached garage that is located entirely within the rear 50 percent of a zoning lot in the R-3 District, R-4 District, R-5 District, or R-6 District, or (c) the first 160 square feet of a one-story open front porch in the R-3 District, R-4 District, R-5 District, or R-6 District on the condition that a permanent, binding declaration of restriction is recorded against the subject property providing that the open front porch shall never be enclosed with screens, walls, or any other form of partition. See Subsection 16-102I of this Section for the definition of "Impervious Surface." See also Subsection 16-102B of this Section for the definition of "Building Coverage."

LOT DEPTH. The mean horizontal distance between the front and rear lot lines.

LOT, INTERIOR. A lot other than a corner lot.

LOT LINES. The property lines bounding a lot; provided, however, that when a lot includes land subject to a public right-of-way easement for street purposes, the line separating such right-of-way from the rest of the lot shall be deemed to be the lot line.

LOT LINE, CORNER SIDE. Any street line of a corner lot other than its front lot line.

LOT LINE, FRONT. In the case of an interior lot abutting upon only one street, the line separating such lot from such public right-of-way; in the case of a through lot, each line separating such lot from a public right-a-way shall be considered a front lot line; in the case of a corner lot, the shorter lot line separating such lot from a public right-of-way shall be considered to be the front lot line.

LOT LINE, REAR. That lot line that is parallel to and most distant from the front lot line of the lot; provided, however, that in any case where no lot line of at least 20 feet in length is parallel to the front lot line, an imaginary line

20 feet in length, entirely within the lot, parallel to, and at the maximum possible distance from, the front lot line shall be considered to be the rear lot line.

LOT LINE, SIDE. Any lot line other than a front, corner-side, or rear lot line.

LOT, MINIMUM TOTAL AREA OF. The smallest lot on which a particular use or structure may be located in a particular district.

LOT OF RECORD. A lot that is part of a subdivision, the properly approved plat of which has been recorded in the office of the Recorder of Deeds or Registrar of Titles of Cook County, Illinois, or a parcel of land separately described in a recorded deed. See also Subsection 16-102N for "Nonconforming Lot of Record" and "Nonconforming Lot of Record, Legal."

LOT, REVERSED CORNER. A corner lot the corner side lot line of which is substantially a continuation of the front lot line of the zoning lot abutting the rear lot line of that corner lot. (See Figure 3; Reversed Corner Lot)

FIGURE 3: REVERSED CORNER LOT

LOT, THROUGH. A lot having frontages on two non-intersecting streets.

LOT, WIDTH OF. The shortest horizontal distance between side lot lines measured by a line passing through the point of the required front yard line equidistant from the points where the front yard line intersects the side yard lines (measured along the front yard line); provided, however, that the length

of the front lot line shall not be less than 80 percent of the required minimum lot width.

LOT, ZONING. A tract of land, located entirely within one block and under unified ownership that is either:

1. occupied by a principal building or use and its accessory buildings or uses; or
2. designated by the owner or developer at the time of filing for any zoning approval or building permit to be developed for a principal building or use and its accessory buildings or uses.

For purposes of determining whether a yard or other open space abutting a principal structure is part of the same zoning lot as the principal structure, the yard or open space shall be deemed to be "occupied" if the principal structure has been constructed, altered, or expanded at any time after its initial construction such that it would create a yard or setback nonconformity or would increase the degree of an existing yard or setback nonconformity if the yard or open space at issue is not considered part of the zoning lot.

A zoning lot may consist of one or more lots of record.

- M. When used in this Code, the following terms shall have the meanings herein ascribed to them:

MAJOR AUTOMOBILE REPAIR. See Subsection 16-102A of this Section.

MARQUEE OR CANOPY. A roof-like structure of a permanent nature that projects from the wall of a building.

MARQUEE SIGN. See Section 11-105 of this Code.

MEDICAL CANNABIS DISPENSARY. A medical cannabis dispensing organization as defined in the Illinois Compassionate Use of Medical Cannabis Pilot Program Act.

MEMORIAL GARDEN. A parcel of landscaped ground used for the burial of cremated human remains directly into the earth.

MEMORIAL SIGN. See Section 11-105 of this Code.

MINIMUM LOT AREA. See Subsection 16-102L of this Section.

MINOR AUTOMOBILE REPAIR. See Subsection 16-102A of this Section.

MORE RESTRICTIVE DISTRICT. See Section 2-102 of this Code.

MOTEL. An establishment that provides services similar to a hotel but that is designed to attract primarily automobile transients and that has individual entrances from the outside of the building for at least 25 percent of the dwelling or rooming units located therein.

MOVING SIGN. See Section 11-105 of this Code.

MULTIPLE FAMILY DWELLING. See Subsection 16-102D of this Section.

MUNICIPAL CODE. The La Grange Code of Ordinances.

- N. When used in this Code, the following terms shall have the meanings herein ascribed to them:

NAME PLATE SIGN. See Section 11-105 of this Code.

NET FLOOR AREA. See Subsection 16-102F of this Section.

NONCONFORMING LOT OF RECORD. A lot of record that does not comply with the lot requirements for any permitted use in the district in which it is located.

NONCONFORMING LOT OF RECORD, LEGAL. A nonconforming lot of record that:

- (a) was created by a plat or deed recorded at a time when, and came into ownership separate from adjoining tracts of land at a time when, the creation of a lot of such size, shape, depth, and width at such location would not have been prohibited by any ordinance or other regulation; and
- (b) has remained in separate and individual ownership from adjoining tracts of land continuously during the entire time that the creation of such a lot has been prohibited by any applicable ordinance or other regulation.

NONCONFORMING SIGN. Any sign lawfully existing on the effective date of this Code, or any amendment to it rendering such sign nonconforming, that does not comply with all of the standards and regulations of this Code or any such amendment hereto.

NONCONFORMING STRUCTURE. Any building or structure, other than a sign, lawfully existing on the effective date of this Code, or any amendment to it rendering such building or structure nonconforming, that:

- (a) does not comply with all of the regulations of this Code, or any such amendment thereto, governing parking, loading, or bulk and space requirements for the zoning district in which such building or structure is located; or
- (b) is located on a lot that does not, or is so located on a lot as not to, comply with the yard or setback requirements for the zoning district in which such building or structure is located; or

- (c) both (a) and (b); except
- (d) any building containing more than one dwelling unit in addition to the number permitted by the district regulations in the district where it is located shall be deemed to be a nonconforming use rather than a nonconforming structure.

NONCONFORMING USE. Any use lawfully being made of any land, building or structure, other than a sign, on the effective date of this Code, or any amendment to it rendering such use nonconforming, that does not comply with all of the regulations of this Code, or any such amendment hereto, governing use for the zoning district in which such land, building or structure is located.

NURSING AND PERSONAL CARE FACILITY. An establishment that provides full-time nursing and health-related personal care, but not hospital services, with in-patient beds for three or more individuals who are not related by blood or marriage to the operator and who, by reason of advanced age, chronic illness, or infirmity, are unable to care for themselves. No care for the acutely ill or surgical or obstetrical services shall be provided in such an establishment; a hospital shall not be construed to be included in this definition.

- O. When used in this Code, the following terms shall have the meanings herein ascribed to them:

OFFICE BUILDING. Any building the principal use of which is an office use.

OFFICE DISTRICT. Any district, except the Open Space District, whose designation begins with the letter "O" as set forth in Section 2-101 of this Code.

OFFICE USE OR PURPOSE. Any use permitted in an Office District.

OFFICIAL COMPREHENSIVE PLAN. See Subsection 2-105B of this Code.

OFFICIAL MAP. See Section 2-106 of this Code.

ON-SITE INFORMATIONAL SIGN. See Section 11-105 of this Code.

OPEN SALES LOT. Land used or occupied for the purpose of buying, selling, or renting merchandise out-of-doors.

OPEN SPACE AND USABLE OPEN SPACE. An area or areas of a lot, including required yards, that is:

- (a) open and unobstructed from ground to sky except by facilities specifically designed, arranged, and intended for use in conjunction with passive or active outdoor recreation or relaxation; and
- (b) located at least five feet from any structure except structures specifically designed, arranged, and intended for use in conjunction with passive or active outdoor recreation or relaxation; and
- (c) landscaped, maintained, or otherwise treated to create a setting appropriate to recreation or relaxation; and
- (d) accessible and usable by the residents of all dwellings, or the users of all non-residential buildings, it is intended or required to serve; and
- (e) not covered by water or devoted to agricultural production.

OPEN SPACE, COMMON. Open space held in private ownership, regularly available for use by the occupants of more than one

dwelling or the users of more than one non-residential building.

OPEN SPACE, PRIVATE. Open space held in private ownership, the use of which is normally limited to the occupants of one dwelling or the users of one non-residential building.

OPEN SPACE, PUBLIC. Open space dedicated to or owned by any government or governmental agency or authority.

OUTDOOR KITCHEN. An outdoor structure or installation accessory to a single family detached dwelling that is designed and intended for preparation and cooking of food, that includes one or more types of cooking fixtures such as a grill, cook top, oven, and fireplace; that may include cabinets or other storage places; that may be partially but not fully enclosed with railings, low walls, screening, or similar elements; and that may be covered or partially covered by a roof, canopy, or trellis-like latticework; and subject to the limitations of Subsection 9-101C of this Code.

OWNER. Includes the holder of legal title as well as holders of any equitable interest, such as trust beneficiaries, contract purchasers, option holders, lessees under leases having an unexpired term of at least 10 years, and the like. Whenever a statement of ownership is required by this Code, full disclosure of all legal and equitable interests in the property is required.

- P. When used in this Code, the following terms shall have the meanings herein ascribed to them:

PARKING AREA. Any land area, not located in a garage, designed and used for the parking of not more than four vehicles.

PARKING LOT. Any land area designed or used for the parking, and associated circulation, of more than four vehicles.

PARKING SPACE. An area for the parking of a vehicle.

PARTICULATE MATTER. Material other than water that is suspended or discharged into the atmosphere in a finely divided form as a liquid or solid.

PATIO. An accessory structure, generally located at or near grade, with a surface of stone, brick, or other masonry product, and without a roof, and with the intended and primary use of lounging, dining, and similar activities.

PERGOLA. An unenclosed wooden structure, open on the sides and top and usually square or rectangular in shape, composed generally of vertical support posts tied together with side rafters at the top of the posts and horizontal rafters across the top at regular intervals.

PERIMETER LANDSCAPED OPEN SPACE. A landscaped open space intended to enhance the appearance of, or screen from view, parking lots and other outdoor aesthetically unpleasant uses or areas or to create a transition between incompatible uses by means of appropriate buffering, landscaping, or screening primarily along lot lines. See Subsection 9-104A of this Code.

PERSONAL WIRELESS SERVICES. Commercial mobile telecommunications services, and unlicensed wireless telecommunications services, and common carrier wireless telecommunications exchange access services.

PERSONAL WIRELESS SERVICES ANTENNA. An antenna used in connection with the provision of personal wireless services.

STOREFRONT. A ground-level commercial retail unit with display windows along the public street or other pedestrian way accessible from the public street.

STORY. Except as otherwise specifically provided in this Code, that portion of a building included between the surface on any floor and the surface of the floor next above it, or if there is no floor above, then the space between the floor and the ceiling next above it. The floor of a story may split levels provided that there is not more than four feet difference in elevation between the different levels of the floor. When the floor area of the upper-most story that has a floor-to-ceiling height of less than seven feet is more than 50 percent of the gross floor area of the story next below it, such upper-most story shall be counted as one-half story. A basement shall be counted as one-half story; a cellar shall not be counted as a story. Any area in which the distance from one floor to the floor or ceiling above it is more than 16 feet shall be deemed to consist of one story for each 16 feet of height or major fraction thereof.

STREET. The paved portion of a public or private right-of-way, other than a driveway, that affords the principal means of vehicular access to abutting property.

STREET, PRIVATE. Any street other than a public street.

STREET, PUBLIC. A street that has been dedicated to and accepted by, or otherwise acquired by, a government agency.

STREET LINE. A lot line separating a street right-of-way from other land.

STRUCTURAL ALTERATION. Any change, other than incidental repairs, that would prolong the life of the supporting members of a structure such as bearing walls, columns, beams, girders, or foundations or that would alter the dimensions or configurations of the roof or exterior walls of a structure or that would increase either the gross or net floor area of a structure.

STRUCTURE. Anything constructed or erected, the use of which requires more or less permanent location on the ground, or anything attached to something having a permanent location on the ground, but not including paving or surfacing of the ground. References to "structure" shall in all cases be deemed to refer to both structures and buildings.

STRUCTURE, ACCESSORY. See Section 9-101 of this Code.

STRUCTURE, NONCONFORMING. See Subsection 16-102N for "Nonconforming Structure."

STRUCTURE, PRINCIPAL. See Subsection 16-102P for "Principal Structure."

SUBDIVISION CODE. The La Grange Subdivision Code.

SUBSTANTIAL CONFORMITY. For the purposes of granting plan approvals relating to planned developments and site plans, a newly submitted plan shall be deemed to be in substantial conformity with a previously approved plan if, but only if, the newly submitted plan:

- (a) does not increase the number of dwelling units, the gross floor area of the development, the gross floor area devoted to any particular use, or the building coverage or lot coverage by more than two percent compared to the previously approved plan and
- (b) does not change the orientation of any building by more than two percent compared to the previously approved plan; and

- (c) does not decrease open space by more than two percent compared to the previously approved plan; and
- (d) does not change the general location of any open space in any manner to detract from its intended function in the previously approved plan; and
- (e) does not change the general location and arrangement of land uses within the development as shown on the previously approved plan; and
- (f) does not change or relocate rights-of-way shown on the previously approved plan in any manner or to any extent that would decrease their functionability, adversely affect their relation to surrounding land use and rights-of-way elements, or reduce their effectiveness as buffers or amenities; and
- (g) does not alter the percentage of any land use in any stage of the development by more than 10 percentage points as compared to its percentage in the previously approved plan; and
- (h) does not delay any stage of the previously approved development schedule by more than 12 months; and
- (i) does not violate any applicable law or ordinance; and
- (j) does not depart from the previously approved plan in any other manner determined by the reviewing body or official, based on stated findings and conclusions, to be a material deviation from the previously approved plan.

SURFACE AREA, ANTENNA. An area determined by adding together the actual surface area of each solid element or part of an antenna or its support structure, where "solid" is defined to include all air spaces that are fully bounded by solid elements.

- T. When used in this Code, the following terms shall have the meanings herein ascribed to them:

TASTING ROOM. A room accessory to a Craft Brewery or a Craft Distillery in which food and the products produced in the brewery or distillery are offered to the public.

TEMPORARY SIGN. See Section 11-105 of this Code.

TEMPORARY STORAGE CONTAINER. Any sort of portable self-storage container delivered to a property to store belongings for a limited period of time. Temporary storage containers are sometimes known as "PODS" (portable on-demand storage containers).

TEMPORARY USES. See Section 9-103 of this Code.

TREE HOUSE. See Subsection 9-101C of this Code.

TRELLIS. See Subsection 16-102A for "Arbor."

TWO FAMILY DWELLING. See Subsection 16-102D for "Dwelling, Two Family."

- U. When used in this Code, the following terms shall have the meanings herein ascribed to them:

USABLE OPEN SPACE. See Subsection 16-1020 for "Open Space, Usable."

USE. The purpose or activity for which a structure or land is designed, arranged, or intended, or for which it is occupied or maintained.

USE, ACCESSORY. See Section 9-101 of this Code.

USE INTERPRETATION. An interpretation of the permitted use or special use lists established by this Code for the purpose of allowing a use not expressly mentioned in those lists to be established in a zoning district found to be appropriate for such use by application of the standards established in Subsection 14-301E of this Code.

USE, NONCONFORMING. See Subsection 16-102N for "Nonconforming Use."

USE, PERMITTED. A use that appears on the permitted use list of a particular zoning district.

USE, PRINCIPAL. See Subsection 16-102P for "Principal Use."

USE, SPECIAL PERMIT. A use that appears on the special permit use list in a particular district.

USE, TEMPORARY. See Section 9-103 of this Code.

- V. When used in this Code, the following terms shall have the meanings herein ascribed to them:

VARIATION. See Section 14-303 of this Code.

VEHICLE. Any device for carrying passengers, goods, or equipment including, but not limited to, passenger automobiles, vans, trucks, buses, recreational vehicles, and vehicles used for commercial, business, or governmental purposes.

VEHICLE, RECREATIONAL. See Subsection 16-102R for "Recreational Vehicle."

VILLAGE. The Village of LaGrange, Cook County, Illinois.

Examples of Lot Types

Corner lot - A lot abutting upon two or more streets at their intersection or junction or a lot bounded on two sides by a curving street where it is possible to draw two intersecting tangents, one each commencing at each of the two points of intersection of the lot lines and street line, which intersect with each other to form an interior angle of less than [135] degrees.

Reversed Corner Lot - A corner lot the corner side lot line of which is substantially a continuation of the front lot line of the zoning lot abutting the rear lot line of that corner lot.

Interior Lot - A lot other than a corner lot.

Through Lot - A lot having frontages on two non-intersecting streets.
