9. Indemnification

A utility occupying or constructing facilities in the right-of-way is deemed to have agreed to indemnify and defend the Village and its elected and appointed officials and officers, employees, agents, and representatives from and against any and all injuries, claims, demands, judgments, damages, losses, and expenses, including reasonable attorney’s fees and costs of suit or defense, arising out of, resulting from, or alleged to arise out of or result from any negligent, careless, or wrongful acts, omissions, failures to act, or misconduct of the utility or its affiliates, officers, employees, agents, contractors, or subcontractors in the construction of facilities or occupancy of the rights-of-way, and in providing or offering service over the facilities, whether those acts or omissions are authorized, allowed, or prohibited by this Chapter or by a franchise, license, or similar agreement; provided however that the utility’s indemnity obligations hereunder do not apply to any injuries, claims, demands, judgments, damages, losses or expenses arising out of or resulting from the negligence, misconduct, or breach of this Chapter by the Village or its officials, officers, employees, agents, or representatives.

10. Permit Suspension and Revocation

The Village may revoke or suspend a permit issued pursuant to this chapter for one or more of the following reasons: (1) Fraudulent, false, misrepresenting, or materially incomplete statements in the permit application; (2) Non-compliance with Chapter 102 of the Municipal Code; (3) Permittee's physical presence or presence of permittee's facilities on, over, above, along, upon, under, across, or within the rights-of-way presents a direct or imminent threat to the public health, safety, or welfare; or (4) Permittee's failure to construct the facilities substantially in accordance with the permit and approved plans.

11. General Construction Standards

All construction in the right-of-way shall be consistent with applicable ordinances, codes, laws, rules and regulations, and commonly recognized and accepted traffic control and construction principles, sound engineering judgment and, where applicable, the principles and standards set forth by the Illinois Department of Transportation.

Applicant hereby agrees to abide by the terms and conditions set forth in this Application and Chapter 102 of the La Grange Code of Ordinance.
