

Westchester Electronic Waste

Recycling Program

Second Saturday of every month 8:30 - Noon
Village Hall (Behind the Westchester Post Office)

- Based on Illinois law, no electronic waste (e-waste) will be allowed into landfills beginning in January 2012.

- When not disposed of properly, e-waste can become toxic and harmful to humans, plants, and animals

The Village of Westchester wants to become a leader in electronics recycling... but we need your help! Bring us your old electronics.

Bring these Items
